Preparation of this Report

The Developer prepared this report to disclose relevant information, including "material facts", that are reasonably known to the Developer about the condominium project covered by this report. This report has been prepared pursuant to the Condominium Property Act, Chapter 514B, Hawaii Revised Statutes, as amended from time to time. The law defines "material facts" to mean "any fact, defect, or condition, past or present that to a reasonable person, would be expected to measurably affect the value of the project, unit, or property being offered or proposed to be offered for sale."

This report has not been prepared or issued by the Real Estate Commission or any other governmental agency. The issuance by the Commission of an effective date for this Developer's Public Report (1) does not mean that the Commission approves or disapproves of the project; (2) does not mean that the Commission thinks that either all material facts or all pertinent changes, or both, about the project have been fully or adequately disclosed; and (3) is not the Commission's judgment of the value or merits of the project.

This report may be used by the Developer for promotional purposes only if it is used in its entirety. No person shall advertise or represent that the Commission has approved or recommended the project, this report or any of the documents submitted with Developer's application for registration of this project.

This report will be amended if, after the effective date of this report, any changes, either material or pertinent changes, or both, occur regarding the information contained in or omitted from this report. In that case, the Developer is required to submit immediately to the Commission an amendment to this report or an amended Developer's Public Report, clearly reflecting the changes, including any omitted material facts, together with such supporting information as may be required by the Commission. In addition, the Developer may choose at any time to change or update the information in this report. Annually, at least thirty days prior to the anniversary date of the Effective Date of this report, the Developer shall file an annual report to update the material contained in this report. If there are no changes, the Developer is required to state that there are no changes. The Developer's obligation to amend this report or to file annual reports ends when the initial sales of all units in the project have been completed.

Purchasers are encouraged to read this report carefully and to seek professional advice before signing a sales contract for the purchase of a unit in the project.

Signing a sales contract may legally bind a purchaser to purchase a unit in the project, though a purchaser may have rights to cancel or rescind a sales contract under particular circumstances that may arise.

This material can be made available for individuals with special needs. Please call the Senior Condominium Specialist at 586-2643 to submit your request.

SPECIAL ATTENTION

[Use this page for special or significant matters which should be brought to the purchaser's attention and that are not covered elsewhere in this report.]

This is a CONDOMINIUM PROJECT, and NOT a subdivision. The "Limited Common Element Land Area" beneath and immediately adjacent to each unit is designated a LIMITED COMMON ELEMENT and is NOT a legally subdivided lot. The dotted or dashed lines on the Condominium Map bounding the designated number of square feet in each Limited Common Element Land Area are for illustrative purposes only and should not be construed to the property lines of legally subdivided lots.

No warranties will be provided by the Developer for any of the units or appliances. The units will be conveyed in their existing "AS IS" and "WHERE IS" condition. However, as set forth in Exhibit "A" and Exhibit "H" the project's general contractor shall provide a one year warranty commencing on the "Date of Substantial Completion", which is May1, 2014, that the materials and equipment furnished for construction of the Project will be good quality and new and the construction and services required by the Construction Contract (including all labor, materials and equipment furnished by the general contractor) will be free from defects, except for defects inherent in the quality of the construction and services required or permitted by the construction contract. The Developer will assign said warranty, together with all transferable manufacturer's and dealer's warranties covering all appliances installed in the unit to the first owner of each unit.

All owners of Units in the Project are automatically members of the Association of Condominium Unit Owners of 2331 and 2331A Rose Street Condominium (hereinafter the "AOUO"). The AOUO manages the condominium project. Pursuant to the Project's Bylaws a majority (i.e. more than 50%) of the unit owners must be present to constitute a quorum and the acts of a majority of the unit owners present at any meeting in which a quorum is present shall be the acts of the AOUO. In summary, this condominium project is managed by 100% agreement of the Unit owners because the AOUO cannot act without a quorum and both unit owners must attend any AOUO meeting to have a quorum.

This public report does not constitute approval of the Project by the Real Estate Commission, or any other governmental agency, nor does it ensure that all applicable County codes, ordinances, and subdivision requirements have necessarily been complied with.

The wet bars on the first floor of each unit may not be converted to a kitchen and the units may not be subdivided. Prospective purchasers with questions about this should see Exhibit K and/or consult with the City and County Department of Planning and Permitting.

Zoning and Land Use Violations. In a condominium, all of the land included in the condominium remains a single, unsubdivided parcel of land for purposes of zoning and land use regulation. If one unit owner violates a regulation, the violation is attributable to both that owner and the innocent owner of each other unit. For example if one owner builds or adds to a structure in a manner which violates height limits, size limits, setbacks, building permit requirements, or flood zone rules, or uses the unit for an unauthorized additional dwelling or short term rental, the violation applies to the entire condominium and the innocent unit owner may be subject to fines or may be denied a building permit as long as the violation remains uncured. **THE PROSPECTIVE BUYER IS CAUTIONED TO CONSULT WITH LEGAL COUNSEL CONCERNING THESE IMPORTANT RISKS.**

THE PROSPECTIVE PURCHASER IS CAUTIONED TO CAREFULLY REVIEW THE CONDOMINIUM DOCUMENTS REFERENCED IN THIS PUBLIC REPORT FOR FURTHER INFORMATION WITH REGARD TO THE FOREGOING.

General Information On Condominiums

A condominium is a special form of ownership of real property. To create a condominium in Hawaii after July 1, 2006, the Condominium Property Act, Chapter 514B, Hawaii Revised Statutes, must be followed. In addition, certain requirements and approvals of the county in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land and/or the building(s) and other improvements are leased to the purchaser. The lease for the land usually requires that at the end of the lease term, the lessees (unit owners) deliver their interest in the land to the lessor (fee property owner).

If you are a typical condominium unit owner, you will have two kinds of ownership: (1) ownership in your individual unit; and (2) a percentage interest in the common elements.

You will be entitled to exclusive ownership and possession of your unit. Subject to the documents governing them, condominium units may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift or operation of law.

Your unit will, however, be part of the group of units that comprise the condominium project. Study the project's Declaration of Condominium Property Regime, Bylaws of the Association of Unit Owners, Condominium Map and House Rules, if any, which are being concurrently delivered to you with this report. These documents contain important information on the use and occupancy of the units and the common elements of the project, as well as the rules and regulations of conduct for unit owners, tenants and guests.

Operation of the Condominium Project

The Association of Unit Owners is the entity through which unit owners may take action with regard to the administration, management and operation of the condominium project. Each unit owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as a unit owner. The Board and officers can take certain actions without the vote of the unit owners. For example, the Board may hire and fire employees, increase or decrease maintenance fees, adopt budgets for revenues, expenses and reserves and regulate the use, maintenance, repair and replacement of common elements. Some of these actions may significantly impact the unit owners.

Until there is a sufficient number of purchasers of units to elect a majority of the Board, it is likely at first that the Developer will effectively control the affairs of the Association. It is frequently necessary for the Developer to do so during the early stages of development and the Developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective purchasers should understand that it is important to all unit owners that the transition of control from the Developer to the unit owners be accomplished in an orderly manner and in a spirit of cooperation.

A condominium is created by recording in the Bureau of Conveyances (Regular System) or filing in the Office of the Assistant Registrar of the Land Court, or both, a Declaration of Condominium Property Regime, a Condominium Map and the Bylaws of the Association of Unit Owners. The Condominium Property Act (Chapter 514B, HRS), the Declaration, Bylaws and House Rules control the rights and obligations of the unit owners with respect to the project and the common elements, to each other, and to their respective units.

House Rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the Developer. Changes to House Rules do not need to be recorded to be effective.

The House Rules for this project:

Are Proposed	<input type="checkbox"/>	
Have Been Adopted and Date of Adoption	<input type="checkbox"/>	
Developer does not plan to adopt House Rules	<input checked="" type="checkbox"/>	

3.5 Changes to the Condominium Documents

Changes to Condominium Documents: Changes to the Declaration, Bylaws and Condominium Map are effective only if they are duly adopted and recorded. Where permitted, the minimum percentages of the common interest that must vote for or give written consent to changes to the Declaration, Bylaws and Condominium Map are set forth below. The percentages for any individual condominium project may be more than the minimum set by law if the Declaration or Bylaws for the project so provide.

Document	Minimum Set by Law	This Condominium
Declaration	67%	67%
Bylaws	67%	67%

4. CONDOMINIUM MANAGEMENT

4.1 Management of the Common Elements

Management of the Common Elements: The Association of Unit Owners is responsible for the management of the common elements and the overall operation of the condominium project. The Association may be permitted, and in some cases may be required, to employ or retain a condominium managing agent to assist the Association in managing the condominium project.

4.2 Estimate of the Initial Maintenance Fees

Estimate of the Initial Maintenance Fees: The Association will make assessments against your unit to provide funds for the operation and maintenance of the condominium project. If you are delinquent in paying the assessments, a lien may be placed on your unit and the unit may be sold through a foreclosure proceeding. Initial maintenance fees are difficult to estimate and tend to increase as the condominium ages. Maintenance fees may vary depending on the services provided.
Exhibit <u>A</u> contains a breakdown of the estimated annual maintenance fees and the monthly estimated maintenance fee for each unit, certified to have been based on generally accepted accounting principles, with the Developer's statement as to when a unit owner shall become obligated to start paying the unit owner's share of the common expenses.

5.3 Blanket Liens

Blanket Liens: A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project or more than one unit that secures some type of monetary debt (such as a loan) or other obligation. Blanket liens (except for improvement district or utility assessments) must be released as to a unit before the developer conveys the unit to a purchaser. The purchaser's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the unit to the purchaser.

<input checked="" type="checkbox"/>	There are <u>no blanket liens</u> affecting title to the individual units.

5.4 Construction Warranties

Construction Warranties: Warranties for individual units and the common elements, including the beginning and ending dates for each warranty (or the method of calculating them), are as set forth below:

Building and Other Improvements:

No warranties will be provided by the Developer; however, as set forth in Exhibit "H" the project's general contractor shall provide a one year warranty commencing on the "Date of Substantial Completion".

5.5 Status of Construction, Date of Completion or Estimated Date of Completion

Completion Deadline: If a sales contract for a unit is signed before the construction of the unit has been completed, or, in the case of a conversion, completion of any repairs, does not occur by the completion deadline set forth below, one of the remedies available to a purchaser is a cancellation of the purchaser's sales contract. The sales contract may include a right of the Developer to extend the completion deadline for force majeure as defined in the sales contract. The sales contract may also provide additional remedies for the purchaser.
Completion Deadline for any unit not yet constructed, as set forth in the sales contract: Not Applicable.
Completion Deadline for any repairs required for a unit being converted, as set forth in the sales contract: Not Applicable.

5.6 Developer's Use of Purchaser Deposits to Pay for Project Construction Costs Before Closing or Conveyance

<input type="checkbox"/>	<p>Spatial Units. The Developer hereby declares by checking the box to the left that it is offering spatial units for sale and will not be using purchasers' deposits to pay for any costs to pay for project construction or to complete the project.</p> <p>Should the developer be using purchasers' deposits to pay for any project construction costs or to complete the project including lease payments, real property taxes, architectural, engineering, legal fees, financing costs; or costs to cure violations of county zoning and building ordinances and codes or other incidental project expenses, the Developer has to met certain requirements, described below in 5.6.1 or 5.6.2..</p>
--------------------------	---

The Developer is required to deposit all moneys paid by purchasers in trust under a written escrow agreement with a Hawaii licensed escrow depository. Escrow shall not disburse purchaser deposits to the Developer or on behalf of the Developer prior to closing, except if a sales contract is canceled or if Developer has met certain requirements, which are described below.

5.6.1 Purchaser Deposits Will Not Be Disbursed Before Closing or Conveyance

<input checked="" type="checkbox"/>	<p>The Developer hereby declares by checking the box to the left that it shall use its own funds to complete the construction of the condominium project by the date indicated in Section 5.5 of this report, and the Developer, pursuant to its own analysis and calculations, certifies that it has sufficient funds to complete the construction of the condominium project.</p> <p><i>If this box is checked, Section 5.6.2, which follows below, will not be applicable to the project.</i></p>
-------------------------------------	--

5.6.2 Purchaser Deposits Will Be Disbursed Before Closing

Hawaii law provides that, if certain statutory requirements are met, purchaser deposits in escrow under a binding sales contract may be used before closing to pay for certain project costs. For this project, the Developer indicates that purchaser deposits may be used for the following purposes (check applicable box):

<input type="checkbox"/>	For new construction: to pay for project construction costs described in the Developer's budget and approved by the Developer's lender or an otherwise qualified, financially disinterested person; or
<input type="checkbox"/>	For conversions: to pay for repairs necessary to cure violations of county zoning and building ordinances and codes, for architectural, engineering, finance and legal fees, and for other incidental expenses.

In connection with the use of purchaser deposits (check Box A or Box B):

<p>Box A</p> <p><input type="checkbox"/></p>	<p>The Developer has submitted all information and documents required by law and the Commission prior to the disbursement of purchaser deposits before closing. This means that the Developer may use such deposits before closing. If the Developer decides not to use purchaser deposits before closing, the Developer does not need to amend this report.</p> <p>If Box A is checked, you should read and carefully consider the following notice, which is required by law:</p> <p><u>Important Notice Regarding Your Deposits:</u> Deposits that you make under your sales contract for the purchase of the unit may be disbursed before closing of your purchase to pay for project costs, construction costs, project architectural, engineering, finance, and legal fees, and other incidental expenses of the project. While the developer has submitted satisfactory evidence that the project should be completed, it is possible that the project may not be completed. If your deposits are disbursed to pay project costs and the project is not completed, there is a risk that your deposits will not be refunded to you. You should carefully consider this risk in deciding whether to proceed with your purchase.</p>
<p>Box B</p> <p><input type="checkbox"/></p>	<p>The Developer has <u>not</u> submitted all information and documents required by law and the Commission, and, until all such information and documents are submitted, thus, the Developer cannot use purchaser deposits.</p> <p>If the Developer later submits all information and documents required by law and the Commission for the use of purchaser deposits, then the Developer must provide an amendment to this report or an amended developer's public report to each purchaser who has signed a sales contract. At such time, the <u>Important Notice Regarding Your Deposits</u> set forth immediately above will apply to all purchasers and will be restated in the amendment to this report or an amended developer's public report. When an effective date for such an amendment or an amended developer's public report is issued, <u>you will not have the right to rescind or cancel the sales contract by reason of such submission and amendment.</u> (This, however, does not affect your right to rescind for material changes or any other right you may have to rescind or cancel the sales contract, as described in Section 5.8 below.) If the Developer decides not to use purchaser deposits before closing, the Developer does not need to amend this report.</p> <p>You should understand that, although the <u>Important Notice Regarding Your Deposits</u> set forth above does not currently apply to you, it might apply to you in the future, and, therefore, you should read and carefully consider it now to ensure that you understand the risk involved in deciding whether to proceed with your purchase.</p>

Material House Bond. If the Developer has submitted to the Commission a completion or performance bond issued by a material house instead of a surety as part of the information provided prior to the use of purchaser deposits prior to closing or conveyance of a unit, the Developer shall disclose the same below and disclose the impact of any restrictions on the Developer's use of purchaser deposits.

5.7 Rights Under the Sales Contract

Before signing the sales contract, prospective purchasers should carefully review all documents relating to the project. These include but are not limited to the documents listed below. Items 2, 3 and 4 are made a part of this public report, as well as Item 5, if any, and are being delivered to you with this report.

1.	Developer's Public Report
2.	Declaration of Condominium Property Regime (and any amendments)
3.	Bylaws of the Association of Unit Owners (and any amendments)
4.	Condominium Map (and any amendments)
5.	House Rules, if any
6.	Escrow Agreement
7.	Hawaii's Condominium Property Act (Chapter 514B, HRS, as amended) and Hawaii Administrative Rules (Chapter 16-107, adopted by the Real Estate Commission, as amended), provided that rules and regulations under Chapter 514B have not yet been adopted.
8.	Other:

Copies of the condominium and sales documents and amendments made by the Developer are available for review through the Developer or through the Developer's sales agent, if any. The Condominium Property Regime law (Chapter 514B, HRS) and the Administrative Rules (Chapter 107, HAR), are available online. Please refer to the following sites:

5.8 Purchaser's Right to Cancel or Rescind a Sales Contract

A purchaser's right to cancel a sales contract or to rescind a sales contract may arise under varying circumstances. In the sections below, some circumstances that will give rise to a purchaser's right to cancel or rescind are described, together with what a purchaser must do if the purchaser wishes to exercise any of the rights.

5.8.1 When a Sales Contract becomes Binding and Purchaser's 30-Day Right to Cancel a Sales Contract

A sales contract signed by a purchaser and the developer will not become binding on a purchaser or the Developer until the following events have taken place:

- (1) The purchaser has signed the sales contract.
- (2) The Developer has delivered to the purchaser a true copy of the developer's public report with an effective date issued by the Commission, together with all amendments to the report as of the date of delivery, and the project's recorded Declaration and Bylaws, House Rules (if any), the Condominium Map and any amendments to them to date (all of which are a part of the developer's public report). If it is impracticable to include a letter-sized Condominium Map, the Developer must provide written notice of an opportunity to examine the Condominium Map.
- (3) The Developer has delivered to the purchaser a notice of the purchaser's 30-day cancellation right on a form prescribed by the Commission.
- (4) The purchaser does at least one of the following:
 - (a) Waives the purchaser's right to cancel the sales contract within 30 days from receipt of the notice of the purchaser's 30-day cancellation right; or

(b) Allows the 30-day cancellation period to expire without exercising the right to cancel; or

(c) Closes the purchase of the unit before the 30-day cancellation period expires.

The purchaser or the Developer may cancel the sales contract at any time during the 30-day cancellation period, and the sales contract will be canceled and the purchaser's deposits returned to the purchaser, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.

5.8.2 Right to Cancel a Sales Contract if Completion Deadline Is Missed

In addition to the purchaser's 30-day cancellation right described in Section 5.8.1 above, when a sales contract is signed before completion of construction of a project, the purchaser will have the right to cancel if the unit is not completed by certain deadlines. In conversion projects, there must be a deadline for completion of any required repairs. Every sales contract shall contain an agreement of the Developer that the completion of construction shall occur on or before the completion deadline, and that completion deadline is set forth in this report in Section 5.5. The sales contract shall provide that the purchaser may cancel the sales contract at any time after the specified completion deadline, if completion of construction does not occur on or before the completion deadline, as the same may have been extended. Upon a cancellation, the purchaser's deposits shall be refunded, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.00.

5.8.3 Purchaser's Right to Rescind a Binding Sales Contract After a Material Change

If a "material change" in a project occurs after a purchaser has signed a sales contract that has become binding, the purchaser will have a 30-day right to rescind after notification and description of the material change. A material change is defined in the Condominium Property Act to be any change that "directly, substantially and adversely affects the use or value of (1) a purchaser's unit or appurtenant limited common elements; or (2) those amenities of the project available for the purchaser's use."

The purchaser will be informed of the material change by the developer on a form prescribed by the Commission containing a description of the material change.

After notice of the material change, the purchaser may waive the right to rescind by:

- (1) Checking the waiver box on the rescission form; or
- (2) Letting the 30-day rescission period expire, without taking any action to rescind; or
- (3) Closing the purchase of the unit before the 30-day rescission period expires.

The rescission form must be signed by all purchasers of the affected unit and delivered to the developer no later than midnight of the 30th calendar day after the purchasers received the rescission form from the developer. Purchasers who validly exercise the right of rescission shall be entitled to a prompt and full refund of any moneys paid.

A rescission right shall not apply in the event of any additions, deletions, modifications and reservations including, without limitation, the merger or addition or phasing of a project, made pursuant to the terms of the project's Declaration.

These provisions shall not preclude a purchaser from exercising any rescission rights pursuant to a contract for the sale of a unit or any applicable common law remedies.

6. MISCELLANEOUS INFORMATION NOT COVERED ELSEWHERE IN THIS REPORT

NOT A SUBDIVISION. This is a condominium project which should not be confused with a subdivision. A purchaser of a Unit will be conveyed a unit together with an "undivided" interest in the common elements of the project. The entire parcel of land which the project is situated is designed as a common element. That portion of the common element which each purchaser has the exclusive right to use is called a limited common element or limited common land element land area, but IS NOT a separate, legally subdivided lot.

MAINTENANCE FEES. The Developer believes that there will be no regular maintenance fees. This is because all costs of every kind pertaining to each Unit and its respective limited common elements, including but not limited to, the cost of landscaping, maintenance, repair, and/or replacement of each Unit and its appurtenant limited common elements shall be borne entirely by the respective Unit owners. All utilities are separately metered. The maintenance and repairs of each Unit, including all utility charges and Insurance premiums, is the sole responsibility of each Unit Owner.

INSURANCE. Section 514B-86, Hawaii Revised Statutes, requires the Association of Unit Owners to purchase fire insurance to cover the improvements of the Project, and that the premiums for such Insurance be common expenses. Developer anticipates that the Association will elect to permit individual Unit owners to obtain and maintain separate policies of fire insurance and name the Association as an additional insured under said policies. In such case the fire insurance premiums will be the responsibility of individual Unit owners and not common expenses. Prospective purchasers should consult with their own insurance professionals to obtain an estimate for individual fire and hazard insurance

RESERVES. Developer discloses that no "reserve study" was done in accordance with Section 514B-148, Hawaii Revised Statutes, and replacement reserve rules, subchapter 6, Title 16, Chapter 107, Hawaii Administrative Rules, as amended. No reserves are necessary because there are no common elements that require any type of replacement or major repair. In the event that a common element will require major repair or replacement, the Developer believes that any repair would be treated as a special assessment in order to avoid incurring additional expenses associated with the collection of maintenance fees on a monthly basis.

DISCLOSURE REGARDING "AS IS" SALE. The two (2) Units will be conveyed in their present "as is" condition. Potential buyers are strongly urged to have a professional home inspection to ascertain the exact condition of the property.

HAZARDOUS MATERIALS. The Developer neither prepared nor commissioned a Phase 1 Environmental Site Assessment and makes no representations or warranties whatsoever. The Developer has made no independent investigation as to asbestos or other hazardous substances in the Units or in, under or around the Project, including but not limited to, radioactive materials, organic compounds known as polychlorinated bipheyls, chemicals known to cause cancer or reproductive toxicity, pollutants, contaminants, hazardous wastes, toxic substances, and any and all other substances or materials defined as or included in the definition of "hazardous substances", "hazardous wastes", "hazardous materials", or "toxic substances" under, or for the purposes of, hazardous materials laws. Buyer acknowledges that there may be asbestos and other hazardous substances in the Units or in, under or around the Project. Because of the possible presence of such substances, Buyer should have the Unit inspected to determine the extent (if any) of such contamination and any necessary remedial action. The Developer will not correct any defects in the Units or in the Project or anything

installed or contained therein and Buyer expressly releases the Developer from any liability to Buyer if any hazardous materials are discovered.

All owners of Units in the Project are automatically members of the Association of Condominium Unit Owners of 2331 and 2331A Rose Street Condominium (hereinafter the "AOUO"). The AOUO manages the condominium project. Pursuant to the Project's Bylaws a majority (i.e. more than 50%) of the unit owners must be present to constitute a quorum and the acts of a majority of the unit owners present at any meeting in which a quorum is present shall be the acts of the AOUO. In summary, this condominium project is managed by 100% agreement of the Unit owners because the AOUO cannot act without a quorum and both unit owners must attend any AOUO meeting to have a quorum. Accordingly, all actions of the AOUO and the Board of Directors require the approval of both unit owners. In addition, even though the Declaration and Bylaws provide that any amendments thereto require approval by 67% of the common interest, any amendment to the Declaration and Bylaws for this Project will require approval by both unit owners. This prevents one unit owner from controlling the use, rights and obligations of the other unit owner. The Declaration and Bylaws contain no provisions for breaking deadlocks. In the event conflicts, disputes, or deadlocks between the owners or their representatives cannot be resolved by mutual agreement, the owners' recourse will be mediation pursuant to Section 9.1. of the Bylaws and Section 514B-162 of the Act, or litigation in court.

PREREQUISITES TO FILING A LAWSUIT.

"CHAPTER 672E OF THE HAWAII REVISED STATUTES CONTAINS IMPORTANT REQUIREMENTS YOU MUST FOLLOW BEFORE YOU MAY FILE A LAWSUIT OR OTHER ACTION FOR DEFECTIVE CONSTRUCTION AGAINST THE CONTRACTOR WHO DESIGNED, REPAIRED OR CONSTRUCTED YOUR HOME OR FACILITY. NINETY DAYS BEFORE YOU FILE YOUR LAWSUIT OR OTHER ACTION, YOU MUST SERVE ON THE CONTRACTOR A WRITTEN NOTICE OF ANY CONSTRUCTION CONDITIONS YOU ALLEGE ARE DEFECTIVE. UNDER THE LAW, A CONTRACTOR HAS THE OPPORTUNITY TO MAKE AN OFFER TO REPAIR AND/OR PAY FOR THE DEFECTS. YOU ARE NOT OBLIGATED TO ACCEPT ANY OFFER MADE BY A CONTRACTOR. THESE ARE STRICT DEADLINES AND PROCEDURES UNDER THE LAW, AND FAILURE TO FOLLOW THEM MAY NEGATIVELY AFFECT YOUR ABILITY TO FILE A LAWSUIT OR OTHER ACTION."

Disclosures Regarding No Developer Liability

Section F.4. of the Declaration provides that Developer is not liable to any owner, occupant or other person for any loss or injury in connection with any limited common element land area. This means no one will have right to file a lawsuit against the Developer for any matters in connection with each owner's limited common element land area. Each Unit owner is solely responsible for maintaining and repairing his/her own limited common element land area and all improvements thereon, at his/her own sole cost and expense.

Pursuant to Section V. of the Declaration the Developer also disclaims any warranties either express or implied, including any warranty of habitability with respect to the Project, the Units or their contents. Developer will not be liable to any person for any construction or other defects, including latent or hidden defects in the Project, the Units or anything within the Units.

Because of the two broad foregoing disclaimers of liability by the Developer that it is especially important and highly recommended that any prospective purchaser have his or her own

attorney, engineer and/or architect and construction expert review the condominium documents thoroughly as well as perform a thorough physical inspection of the Unit before such person purchases a Unit in the Project.

Disclosure Regarding Declaration of Holding Tank Facility

The preliminary title report for the Project indicates that the Project is subject to a Declaration of Holding Tank Facility recorded in the Bureau of Conveyances as Document No. A-48840659 ("Declaration"). However, the Developer hereby discloses that after the Declaration was recorded the Department of Permitting and Planning of the City and County of Honolulu informed the Developer that neither of the Units in the Project needed to be connected to a holding tank facility and that both Units 2331 and 2331A could be directly connected to the City and County of Honolulu sewer system. Both Units 2331 and 2331A are directly connected to the City and County of Honolulu Sewer System.

Disclosure Regarding Unit 2331's Access Easement Over The Cement Driveway Portion of the Limited Common Element Land Area of Unit 2331A

Prospective purchasers of Unit 2331A should be aware that Unit 2331A is encumbered by an access easement in favor of Unit 2331. As set forth in Section H. 5 of the Declaration, the owner of Unit 2331 has a perpetual nonexclusive easement for access over the cement driveway portion of the limited common element land area appurtenant to Unit 2331A for the purposes of maintaining, repairing and/or replacing portions of Unit 2331. For example, if the owner of Unit 2331 needed access to the cement driveway portion of Unit 2331A's limited common element land area to repair his/her roof or paint his/her Unit, this easement would allow such access so that the owner of Unit 2331 could erect scaffolding or place ladders on Unit 2331A's limited common element land area. Prospective purchasers should carefully read Section H. 5 of the Declaration which describes the scope of the foregoing access easement and the conditions and restrictions on using the access easement.

The Developer declares subject to the penalties set forth in Section 514B-69, HRS, that this project conforms to the existing underlying county zoning for the project, zoning and building ordinances and codes and all applicable permitting requirements adopted by the county in which the project is located, all in accordance with Sections 514B-5 and 32(a)(13), HRS.

For any conversion, if any variances have been granted, they are specified in Section 1.14 of this report, and, if purchaser deposits are to be used by the Developer to cure any violations of zoning, permitting requirements or rules of the county in which the project is located, the violation is specified in Section 1.15 of this report, along with the requirements to cure any violation, and Section 5.5 specifies the date by which the cure will be completed.

The Developer hereby certifies that all the information contained in this report and the exhibits attached to this report and all documents to be furnished by the Developer to purchasers concerning the project have been reviewed by the Developer and are, to the best of the Developer's knowledge, information and belief, true, correct and complete.  2331 and 2331A Rose Street
 Honolulu, Hawaii 96819
2. Developer: TERRY KWOK WAN CHEUNG, JOANNE GUM FONG
 LUI and OI HING CHEUNG
3. Developer's Address: 3426 Keanu Street
 Honolulu, Hawaii 96816
4. Managing Agent: Self-managed by Association of Unit Owners.
5. Real Estate Broker: Dower Realty, Inc.
 Attention: Emily Cheung R.A.
 1114 11th Avenue
 Honolulu, Hawaii 96816
 (808) 735-8838

6. Maintenance Fees: The maintenance and repair of each condominium Unit and its appurtenant limited common element land area, including all utility charges and insurance premiums, is the sole responsibility of each unit owner. Developer believes that there will be no regular maintenance fees. This is because all costs of every kind pertaining to each Unit and its respective limited common elements, including but not limited to the cost of landscaping, maintenance, repair, replacement and improvements shall be borne entirely by the respective unit owners. All utilities are or will be separately metered. Exhibit 1 attached hereto contains a schedule of estimated initial maintenance fees and maintenance fee disbursements.

Note: Developer discloses that no reserve study was done in accordance with Chapter 514B-148, HRS, and replacement reserve rules, Subchapter 6, Title 16, Chapter 107, Hawaii Administrative Rules, as amended. No reserves are necessary because there are no common elements that require any type of replacement or major repair. Developers believe that any repair of common elements would be treated as a special assessment in order to avoid incurring additional expenses associated with the collection of maintenance fees on a monthly basis.

7. Warranties: The Developer makes no warranties with respect to any building, fixtures or site conditions of any unit, or the common elements. No warranties are given by Developer as to appliances. Developer is disclaiming any warranties, either express or implied, including any implied warranty of habitability, with respect to the Project, the units or their contents, and Developer will not be liable to Buyer or any other unit owners for any construction or other defects, including any latent or hidden defects in the Project, the units or anything contained therein. This means that neither Buyer nor any other unit owner will have the right to file any lawsuit for damages against Developer for any defects discovered by them. However, the Project's general contractor, New City Construction, LLC., agreed to provide a one

year warranty commencing on the "Date of Substantial Completion", which is May 1, 2014, that (a) the materials and equipment furnished for construction of the Project will be good quality and new and (b) the construction and services required by the construction contract (including all labor, materials and equipment furnished by the general contractor) will be free from defects, except for defects inherent in the quality of the construction and service required or permitted by the construction contract. SELLER HEREBY ASSIGNS TO BUYER THE AFORESAID CONTRACTOR'S ONE YEAR WARRANTY, which shall expire on May 1, 2015. The Seller also will assign to Buyer at Closing transferable manufacturer's and dealer's warranties covering all appliances installed in the Unit.

8. Number of Units; Permitted Use. The Project contains two (2) Units. The Units are designated as Unit 2331 and Unit 2331A.

Both Units shall be used only as private single family dwellings. There is no commercial development in the Project.

E. Reconfigure the Project or any Unit with respect to which a deed has not been recorded.

F. To modify all documents related to the Project including the Declaration, the By-Laws and the Condominium Map, to alter the Project and the Units (and to modify said documents accordingly). Without limiting the generality of the foregoing, Developer reserves the right to change the configurations of, or to alter the number of rooms of or to decrease or increase the size of, or to change the location of any Unit in accordance with complete plans

SPECIAL USE RESTRICTIONS

The following provisions in the Declaration and By-Laws, as indicated, contain restrictions on the use of the Units and the common elements of the Project:

I. DECLARATION

Pursuant to paragraph J of the Declaration, each Unit shall be occupied and used only as private dwellings by the respective owners thereof, their tenants, families, domestic servants and social guests. No Unit shall be used as a tenement or rooming house or for or in connection with the carrying on of any business, trade or profession whatsoever. The Units shall not be rented by the owners thereof for transient or hotel purposes, as defined in the Declaration. Neither of said Units nor any interest therein shall be sold, transferred, conveyed, leased, occupied, rented or used for or in connection with any time-sharing purpose or under any time-sharing plan, arrangement or program, including without limitation any so-called "vacation license", "travel club membership" or "time-interval ownership" arrangement. Other than the foregoing restrictions, the Unit owners shall have the absolute right to lease the same, provided that such lease covers an entire Unit, is in writing and is made subject to the covenants and restrictions contained in the Declaration and in the By-Laws. Notwithstanding the foregoing, each Unit shall be occupied and used only for purposes permitted by the Land Use Ordinance for the City and County of Honolulu ("LUO") then in effect.

II. BY-LAWS

Article VIII, Section 5 of the By-Laws lists a variety of restrictions affecting the use of the Units and common elements, including, without limitation, restrictions as to the posting of advertisements, posters or other signs on or about the Project; noise; disposal of garbage; uses which may cause an increase in the ordinary premium rates or cancellation or invalidation of any insurance maintained by or for the Board; noxious or offensive activities; the storage of furniture, packages or other objects which could obstruct transit through the common elements; the construction or placement in the Project of any building or structure; the alteration of any common elements of the Project; installation or maintenance of any television or other antennas in the Project; and the keeping of pets. Unit owners may keep no more than two (2) dogs, cats or other household pets; provided, however, that no animals shall be allowed on any common elements except in transit when carried or on a leash. All Unit owners shall promptly clean up any waste left by their pets on common areas.

THIS EXHIBIT CONTAINS ONLY A BRIEF SUMMARY OF CERTAIN USE PROVISIONS STATED IN THE DECLARATION AND BY-LAWS. PROSPECTIVE OWNERS SHOULD READ AND UNDERSTAND ALL OF THE USE RELATED PROVISIONS CONTAINED IN THE AFORESAID DOCUMENTS.

EXHIBIT D
PERMITTED ALTERATIONS TO UNITS

The Declaration and By-Laws permit alterations to the units as follows:

I. DECLARATION

Paragraph Q of the Declaration provides that a Unit owner with the consent by the holder of any mortgage affecting the owner's Unit (if required by such mortgage), shall have the right at his sole option at any time and from time to time without the consent of any other person, to improve, renovate, remodel, make additions to, enlarge, remove, replace or restore the improvements upon the limited common element land area appurtenant to his Unit (collectively, the foregoing are referred to "changes") subject to the following conditions:

A. All changes shall conform with (i) applicable City and County building, zoning laws and ordinances ("County Rules") and (ii) applicable State of Hawaii governmental laws and regulations ("State Law");

B. All changes to a Unit shall be made within the limited common element land area to which the Unit is appurtenant.

C. No change to a Unit shall be made if the effect of such change would be to exceed the Unit's proportionate share of the Lot area coverage for the Land or number of dwelling units, as defined by the LUO in effect when the change is to be made; provided, however, that each Unit shall be permitted no fewer than one dwelling unit.

The "proportionate share" for each Unit shall be a fraction having as its numerator the land area of its appurtenant limited common element land area and having as its denominator the total area of both limited common element land areas.

D. All such changes shall be at the expense of the owner making the change, shall be expeditiously made and completed in a manner that will not unreasonably interfere with or cause damage to the other Unit, its appurtenant limited common element, or the use thereof by the owner of the other Unit.

E. During the entire course of such construction, the owner making such change will cause to be maintained at his expense builder's all-risk insurance in an amount not less than the estimated cost of construction. The Association shall be named as an additional insured and, upon the request of the Association, evidence of such insurance shall be deposited with the Association or its Managing Agent, if any;

F. The Unit owner seeking to make a change to his Unit shall have the right (aa) to seek on his own behalf and on behalf of the Association, if required, building permits and other types of approvals and permits from governmental authorities and from utility companies, in order to allow such Unit owner to make changes to his Unit; and (bb) to utilize, relocate and realign existing and/or to develop additional, central and appurtenant installations for services to

the Unit affected by such change for electricity, sewer and other utilities and services and when applicable, to add, delete, relocate, realign, designate and grant easement and rights-of-way over, under and on the common elements as necessary or desirable in connection therewith; provided that the same shall not cause any interruption in the service of such utilities to any other part of the Project or otherwise materially interfere with their use by the other Unit owner;

G. If required by the Act or under other law, by the owner making the change to his Unit or the permitting Governmental Agencies, then upon the request of the owner making the change to his Unit, each other owner, lien holder or other person having any interest in the Project hereby agrees in advance to join in, consent to, or execute all instruments or documents necessary or desirable so that the owner making the change to his Unit may effectuate his right to change his Unit.

If such owner, lien holder or other person having any interest in the Project fails to provide such requested written joinder, consent, or take such action, as the case may be, such shall be accomplished by the owner making the change to his Unit under an irrevocable power-of-attorney in favor of the owner making the change to his Unit from each of the other owners, lien holders or such other parties, the acquiring or acceptance of ownership in a Unit or of a lien covering a Unit or of any other interest in the Project being a grant of such power, and the grant being coupled with an interest, being irrevocable.

H. Promptly upon completion of such changes, the owner shall duly record or file of record an amendment to the Declaration, together with a complete set of floor plans of the Unit as so altered, certified as built by a registered architect or professional engineer; provided, however, that notwithstanding any provision in this Declaration to the contrary, any alterations or additions within a Unit may be undertaken without an amendment to this Declaration or filing of a complete set of floor plans of the Unit so altered. All present and future Unit owners and their mortgagees, by accepting an interest in a Unit in the Project, shall be deemed to have given each Unit owner a power of attorney to execute such an amendment to this Declaration, so that each Unit owner shall have a power of attorney from all other Unit owners to execute such an amendment. This power of attorney shall be deemed coupled with each owner's interest in such owner's Unit and shall be irrevocable.

Developer does not give any assurances that the Units can be expanded and Developer does not give any assurances that variances are obtainable from the City and County of Honolulu for any proposed improvements. The City and County of Honolulu has informed the Developer that the Project cannot have more than five (5) bedrooms and (3) bathrooms. Therefore, given the present floor plans of both Units, no more bedrooms and bathrooms can be added to the Project without approval of the City and County of Honolulu.

II. BY-LAWS

Article VIII, Section 4 of the By-Laws prohibits any owner from doing any work which could jeopardize the soundness or safety of the Project, reduce the value thereof, or impair any easement or hereditament, nor may any owner add any material structure or excavate any additional basement or cellar, without in every such case the consent of all owners whose units or limited

common elements appurtenant thereto are directly affected, being first obtained.

THIS EXHIBIT CONTAINS EXCERPTS OF THE PROVISIONS CONTAINED IN THE DECLARATION AND THE BY-LAWS RESPECTING PERMITTED ALTERATIONS TO THE UNITS. PROSPECTIVE OWNERS SHOULD READ AND UNDERSTAND ALL OF THE PROVISIONS RELATING TO PERMITTED ALTERATIONS CONTAINED IN THE AFORESAID DOCUMENTS.

1. With respect to the sale of a condominium unit the Developer will use the Hawaii Association of Realtors form called "Purchase Contract" (hereinafter referred to as "Purchase Contract") as the Purchase Contract for the Project together with two (2) addenda to the Purchase Contract.

2. Until Purchaser has received a copy of the Developer's Public Report and has waived or is deemed to have waived his or her rights of cancellation, the Purchase Contract shall constitute a mere reservation and may be canceled at any time by either Developer or Purchaser.

3. Purchaser has the right to rescind the Purchase Contract if there are any material changes to the Project (other than any additions, deletions and modifications permitted by and made pursuant to Developers' reserved rights set forth in the Declaration of Condominium Property Regime) which directly, substantially and adversely affects the use or value of the unit or limited common elements appurtenant to the unit or those amenities of the project available for such Purchaser's use. Under certain circumstances as set forth in Chapter 514B, Hawaii Revised Statutes, the right of rescission may be waived by Purchaser.

4. The Purchase Contract contains the price, description and location of the apartment and other terms and conditions under which a buyer will agree to buy an apartment in the Project. Among other things, the Purchase Contract provides:

a. A section for financing to be filled in and agreed to by the parties which will set forth how the buyer will pay the purchase price.

UNDER THE LAW, A CONTRACTOR HAS THE OPPORTUNITY TO MAKE AN OFFER TO REPAIR AND/OR PAY FOR THE DEFECTS. YOU ARE NOT OBLIGATED TO ACCEPT ANY OFFER MADE BY A CONTRACTOR. THESE ARE STRICT DEADLINES AND PROCEDURES UNDER THE LAW, AND FAILURE TO FOLLOW THEM MAY NEGATIVELY AFFECT YOUR ABILITY TO FILE A LAWSUIT OR OTHER ACTION.”

Upon written request by Seller, Escrow shall pay such funds to Seller, less any escrow cancellation fee.

4. If any dispute or difference arises between Seller and Purchaser, or if any conflicting demand shall be made upon Escrow, Escrow shall not be required to determine the same or take any action thereon; but may await settlement of the controversy by final appropriate legal proceedings or otherwise as it may require, or file a suit in interpleader in any court having jurisdiction in the matter, for the purpose of having the respective rights of the parties adjudicated, and may deposit with the Court any and all monies held.
